WEEKLY NEWS

THURSDAY 21TH MARCH 2024

Dear Parents/Carers,

All the children in Year 1 to Year 6 have completed assessments over that past few weeks and we have been very impressed with their mature and hardworking attitude to these tests. Very well done to everyone - you have all worked hard. A

special well done goes to the children in Year One who have tackled tests for the first time. Testing plays an important role in our assessment process and

enables teaching staff to look at where any gaps are and plan to fill these as quickly as possible. You will not be surprised to learn that in Maths, gaps often result from children not being able to recall times table facts speedily. In Reading, errors often occur because children have struggled with vocabulary. As parents, you can support your child in both areas by practicing number facts with them and listening to their reading of a wide range of fiction and non-fiction texts - explaining unfamiliar words as you go.

The children will take some statutory tests over the Summer term including year 6 SATs in May, Year 4 multiplication check and year 1 phonics screening. These tests help measure the attainment of pupils in relation to the standards set out in the national curriculum, and help schools identify strengths and areas for development. I will send out more information about these assessments next term.

Best wishes, Corrinne Smith

30 Hours/Working Entitlement Funding

IMPORTANT MESSAGE – DO NOT MISS OUT ON WORKING ENTITLEMENT FUNDING!

The working entitlement funding for 2, 3 and 4 year-olds is available for eligible families. It is important that if you have a child who will be 2 or 3 years old before 31st March or if your circumstances have changed, that you apply to HMRC (Childcare Service) now.

Please set-up or visit your [Gateway Account](#) immediately to apply or reconfirm. If you are unsure if you are entitled to the working entitlement, please check the [Eligibility Criteria](#).

It is important that you allow good time as any queries with new applications or reconfirmations could cause delays and any codes issued in April 2024 will not be funded in summer term 2024. Any start dates from 1st April 2024 will not be funded until autumn term 2024 and only then if you reconfirm by 31st August 2024.

If you have a code that needs to be reconfirmed, this should also be completed now, and if you are unsure, it is your responsibility to log into your Gateway Account and check. If you are newly eligible or are given a new code at reconfirmation, you need to take your 11-digit code to your provider who will complete a verification check and then confirm your funded space.

When eligibility ends, children who have accessed the working entitlement can continue to access their entitlement in the grace period. However, new children, who are 2 or 3 years old before 31st March, or start at a new setting, cannot start to use the working entitlement funding in the grace period if they are no longer eligible.

As part of the eligibility check with HMRC, you will be asked if you would like to register for Tax Free Childcare. You cannot register for Tax Free Childcare if you are in receipt of Universal Credit, Tax Credits or Childcare Vouchers. If you do register, your benefits may be stopped, and it can take several weeks to reinstate.

If you have problems accessing the system or completing your check, please call the HMRC Helpdesk on 0300 1234 097 (your provider and Devon County Council cannot assist with new applications or reconfirmations).

You may be able to access further help with childcare costs. Please visit the [Childcare Choices Website](#) for more information.
